Hi Janet and Jane,

The Ute Indian Tribe will be in DC during the week of February 21st and would appreciate the opportunity to meet with you to discuss the proposed Federal Implementation Plan for the regulation of oil and gas minor sources on the Uintah and Ouray Reservation. That's kind of a mouthful, I believe what we are talking about is the proposed FIP for the Reservation.

Do you have any time available on the morning of Monday the 22nd or Friday the 26th between 11am and 4pm? If not we could look to other times during the week.

Thanks for your consideration,

Rollie Wilson
